Girishkumar Ramkumar

STAND-UP

# AGILE STAND-UP MEETING

What did you do last week?

What are you doing next week?

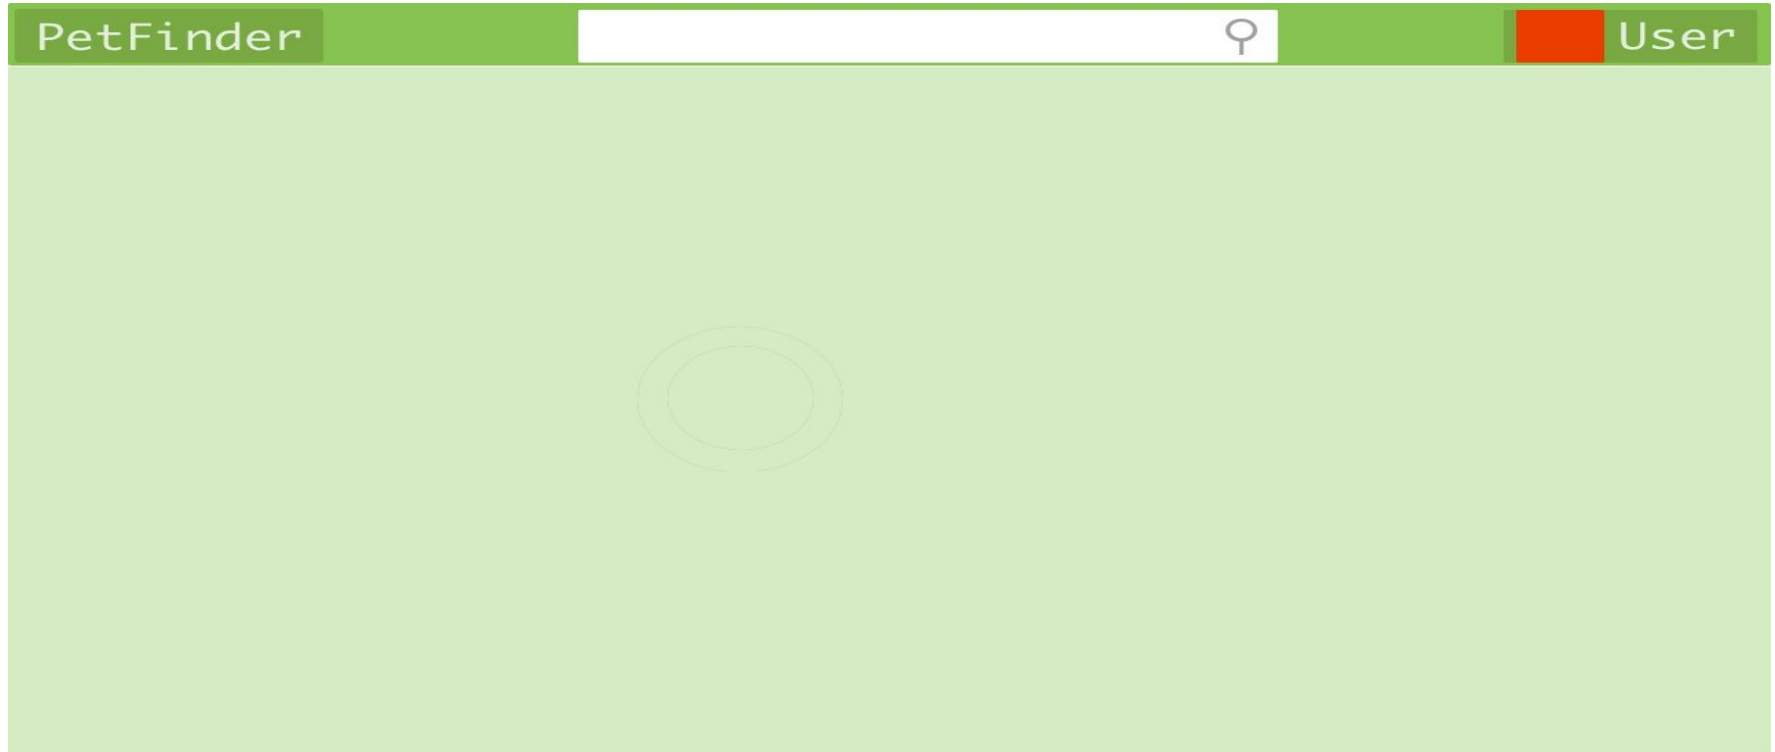

Are there any obstacles stopping you from your task?

Example

“Yesterday I worked on setting up the database so we can add the tables. Today I will be working on creating the tables we need. No obstacles.”

# MAIN QUESTIONS

What went well during the sprint cycle?

What went wrong during the sprint cycle?

What could we do differently to improve?
